DECLARATION OF OWNER/AGENT:

Request is hereby made for a permit to erect or alter the building or structure, described and detailed on the plans and in the specifications attached hereto; all provisions of applicable laws and codes will be complied with in the erection or alteration of said building or structure whether specified herein or not. Any amendments to the application or the plans and specifications upon which the building permit has been issued will be filed and require the approval of the Code Enforcement Office before changes are made in the actual work. Owner/Agent unconditionally agree to comply with all directives of the Code Enforcement Officer an /or his agents with respect to all construction, including the installation or modification of electrical plumbing, heating or other services equipment and systems. All work shall be performed and all materials and equipment installed shall be in compliance with all applicable New York State and local codes, rules and regulations, as shall be in effect during the course of construction.

Applicant further understands and agrees that no work shall commence unless and until the applications is approved by the Code Enforcement Officer.

Applicant further understands and agrees that no building or structure for which the permit has been issued may be used or occupied until a Certificate of Occupancy or Certificate of Compliance has been issued by the Code Enforcement Officer.
